

Hi! My name is Ellinoora. I'm 16 years old. In my family belong father, mother, two older sisters and one little brother. We also have a horse and one dog as a pet. I'm lightly perfectionist and I hate being hurry. When I have free time I like spend time with my friends, reading books and exercise. I love nature, cute animals, good food and fantasia. I hate tuna and exam weeks.

1. I used to do horse racing but I have not anymore enough time for practise.
2. Did I forgot to say that I love also shopping?
3. Our cute dog in our summer cottage when she was little.
3. My dinner in Nice at last summer. I wish I could travel more often.
4. I don't know should I hate or love Game of Thrones...
